◆DAY AFTER DAY THE COLD WEATHER CONTINUES.

know that... I am... a killer...?

H-how did you...

Hey, hey, are you seriously asking questions from the guy you just shot in the head? How crude...

Answer me! Who hired you to put a hit on me?

！

Kuh... to think that you...

It's that mask of yours. It's just too damn suspicious.

Looks like you don't get it, do you.

Pfft.

Is it about the hit on the manager of that major super-market? But that incident should have been long settled...

Ichihara shopping district?

I was employed by Ichihara shopping district.

Oh whatever.

and fallen into the status of 'used bullets'.

It's to silence the mouth for good.

Because you've gone from 'trusted first rate assassin'

Damn it!

You repeatedly failed to assassinate a guy, did you not?

Talks about that have already been spread everywhere.

I'LL DEFINITELY MAKE SURE HE CEASES LIVING THIS TIME!

THAT MOUS-TACHED GUY!!

And there's how you launched a missile right into Ichihara shopping district after that...

Why are you still not dead?

Doubt that'll work, ma'am.

I'LL BLAST HIM INTO SMITHEREENS WITH THIS!!

Like hell I can recognize you guys with your masks on!! And I don't even know your names!

LOOK CAREFULLY. I'M NOT JOHN! I'M HIS YOUNGER BROTHER, KEVIN!

W-WAIT, WAIT, WAIT!

WHY THE HECK DID THIS GUY TAG ALONG !?

WHAT !?

STOP CALLING ME 'MA'AM'! HOW OLD ARE YOU!?

15

Firearms aren't going to be enough.

Look, ma'am, that guy's super tough

A bastard like him may be impervious to attacks from the outside,

but his insides are surprisingly vulnerable a target.

So, what have you got up your sleeves?

Well, just leave it to me.

Pardon the intrusion.

I've brought your coffee.

Thank you.

ク"

FuFuFu, help yourself to this serving of poisoned coffee, why don't you

But still, ma'am, why are you attending the funeral of your arch-enemy?

ドーン

IT'S SUPER EFFECTIVE !!

Here I guess I've got some talent in such things

until I've confirmed that his body is indeed completely destroyed

let's just say I've got a bad feeling about this and I can't breathe easy

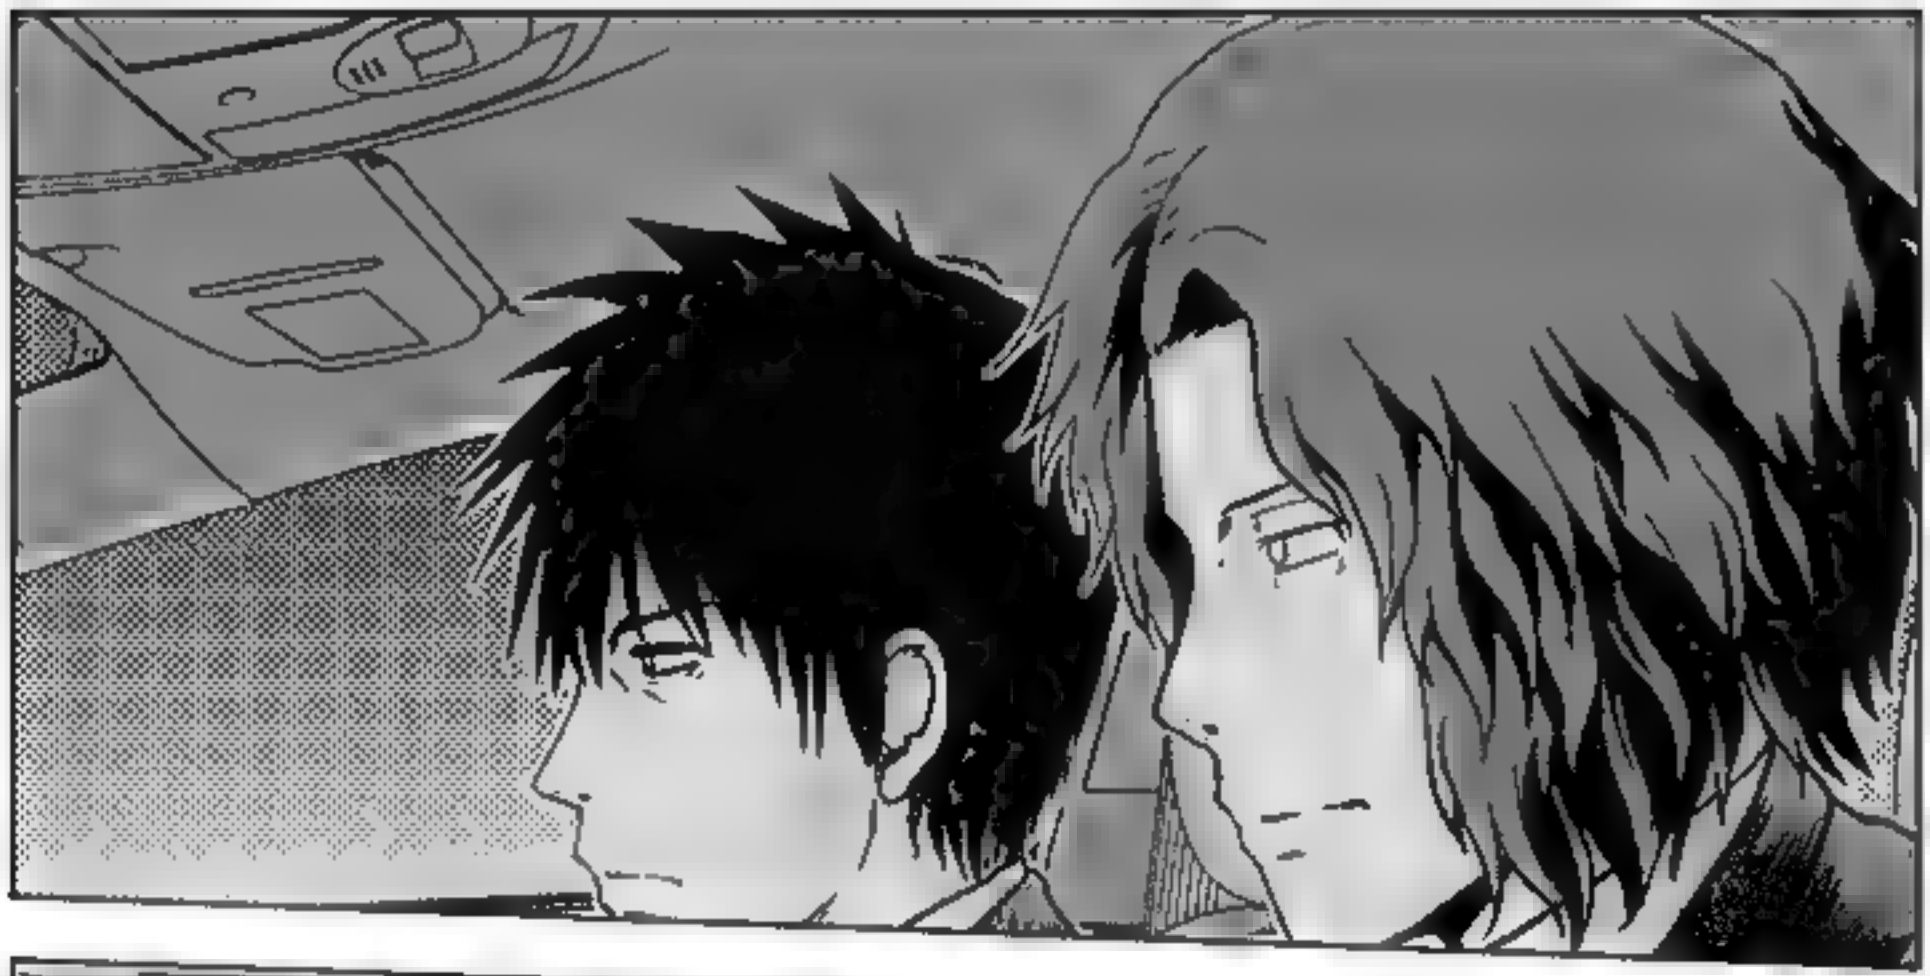
WITHIN THE DIMLY-LIT CAR, THE TWO MEN ARE...

薄暗い車内に男が二人…。

The guy's definitely gonna drop by this place

so we have just got to patiently wait for it.

The criminal still hasn't turned up huh...



. .let's see.

How dull. Let's get some conversation going

.....

There's been some discontent recently.

It's well, it's about my wife.

Oh come on, you've got yourself a young and really cute wife there, haven't you.

Oh, what's up?

I tried to point it out once in a while but

rather than say absolutely nothing changed,

.....

Is that so...

Her cooking is like, super bad.

Oh yeah, certainly.

Kept it all to my heart though.

Really got you riled up, huh?

It's more like, because even from back then, she's been pretty head-strong

so she probably never even listen to anything I said to her to start with.

Anyway, I was at the shop the other and I saw your wife

Yeah.

You know that big book shop in front of the station?

.....

earnestly looking for a cook-book.

Uh-huh.

Don't give me that crap Are you still going to make yourself out as the victim?

Nah, but

Why have you not noticed that?

In order for you to get a taste of something good, hasn't she been laboriously doing her best? She's really been putting in lots of effort, yeah?

my work clothes weren't washed, that sort of things

Is that so?

she's also rather neglectful in the housework

Ah, you're right

You should try dying once

But look, your shoes are properly shined, aren't they?

So, what? Are you making out your wife to be incompetent to gain some sympathy points for your plight or something?

.....

Are you really going to criticise her when she's been supporting her husband with all her might?

Compared to that lovely wife of yours,

what have you been up to? Have you been doing your job properly?

Did you take her out to have a good meal?

Unm well, I have been really busy with work...

It sure has been a long wait

That guy! He's finally turned up!

Hmm?

Got it.

I'll get going And you come around from the back, just in case

Ah.

Today is...

our wedding anniversary...

What's wrong?

.....

How long until the day of the anniversary end?

..45 minutes.

Probably, yeah .

She probably had prepared quite a sumptuous feast and waiting for you at home, hadn't she..

THAT SURE WAS ONE HECK OF A CONVER-SATION.

TIME TO FLOOR IT !!!

CHAPTER 39 - SHOPLIFTING ARC 3

Why did you shoplift?

Why did you do it?

.....

Shoplifting... a crime being brought forth by the darkness close to one's heart.

why I'd end up... doing something like this...

I... I don't know... either

and yet all my husband does is criticize... while the children are constantly misbehaving...

I've been struggling so hard everyday...

Whatever, just go and apologize to the shop manager.

That's not what I asked.

Like I said, go and apologize to the shop manager already.

Every day, all I get is a bunch of abuse! It's really stressing me out!

You've got it wrong!

Yeah, yeah, got it.

I too, have been trying my best to live... day by day, I've been...!

That's not it!

I'll have to force you to apologize.

You got a problem with that?

I didn't want to spend money that's why I stole them.

If only you've said that right from the start.

BAD NEWS, SHIBATA-SAN!

What's wrong?

P-PLEASE COME OUT AND HAVE A LOOK !!

Facing off against such a low tier scoundrel like this

is far too boring.

THE MEAT ARE ALL GONE...!?

WHA-

WHAT THE-!?

I don't get it either

it just suddenly...

What on earth...?

ド

ド

Impossible... how the heck was someone able to steal all that meat in such a crowded area without anybody noticing...?

Fu Fu Fu Fu Fu.

Indeed so.

So you're the one who did it, huh?

I've heard that there is particularly remarkable person standing guard and cracking down on theft in this shop.

I am Ronald the Phantom Thief.

.....

MY CHALLENGE FOR A DUEL!!

THUS, I HEREBY REQUEST THAT YOU ACCEPT

NO WAIT, PLEASE DON'T GO MAKING SUCH A DECISION LIKE THAT!

Very well. I accept your challenge.

Kukuku...

It'll basically be a battle that unfold between an old man and an old lady, fought on a barren ground, I presume?

However, there's one thing I'd like to confirm.

Will continue if permission is being given to do so.

we'll find out soon enough!

The progress will depend on the polls!!

Those feelings of yours are best kept locked within your-self

I'm really happy that you've been supporting me all this while

see...

a machine doesn't discriminate and views all humans as evil.

W-well, guess it's like they say, to live is to sin...

ギャン

EHP!

W-well, the bike is but a creation of humans, so perhaps it could be said to be sinful too...

THAT MAKES YOUR EXISTENCE A SINFUL ONE AS WELL!!

HEY ROBOT, YOU ARE A CREATION OF HUMANS TOO!

Hmm? Wait a sec, now that think about it, that doesn't even make any sense!

SUCH ARRO-GANCE!

THAT'S JUST PURE ARRO-GANCE!

SO WHAT GIVES YOU THE RIGHT TO PUNISH EVIL?!
